Dear Ken,

Enclosed please find the third and final payment for your excellent work on our home at 1884 Honey Spring Place pursuant to our contract agreement.

Again, I would like to emphasize what a superb job you and your staff did and how pleased Delana and I are with all aspects of your work. Should we have future needs that fall within the expertise of your company, we will not hesitate to call you.

A copy of the letter that I have submitted to the Padgett Construction Company, documenting the quality of your work, is also enclosed herein.

Sincerely,

Jim Simpson, MD
